

## DELHI MUMBAI INDUSTRIAL CORRIDOR DEVELOPMENT CORPORATION LIMITED

### Industrial Training to CA Students

The Government of India is currently developing the Dedicated Freight Corridor (DFC) between Delhi and Mumbai, covering an overall length of 1504 km. The DFC passes through the states of Uttar Pradesh, Delhi, Haryana, Rajasthan, Gujarat and Maharashtra, with the end terminals located at Dadri near Delhi and Jawaharlal Nehru Port in Mumbai. The Dedicated Freight Corridor is envisaged to offer high-speed connectivity for High Axle Load Wagons (25 Tonne) of Double Stacked Container Trains supported by high power locomotives.

The Government of India is developing the Delhi Mumbai Industrial Corridor (DMIC), as a global manufacturing and investment destination utilising the high capacity DFC between Delhi & Mumbai, as the backbone. In essence, the DMIC project is aimed at the development of futuristic industrial cities in India which can compete with the best manufacturing and investment destinations in the world.

Delhi Mumbai Industrial Corridor Development Corporation (DMICDC) Limited was incorporated on 7<sup>th</sup> January, 2008 under the Companies Act, 1956 for carrying out project development activities and coordinating the implementation of the various projects under DMIC Project and having representation on the Board from the Government of India, Japan Bank for International Cooperation and HUDCO, IIFCL and LIC.
